

**IN THE UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

AURORA OPERATIONS, INC.,

Petitioner,

v.

U.S. DEPARTMENT OF TRANSPORTATION,
ET AL.,

Respondents.

Case No. 25-1016

STIPULATED MOTION FOR EXTENSION OF BRIEFING SCHEDULE

Petitioner and Respondents respectfully seek a 30-day extension of the briefing schedule. Petitioner and Respondents jointly believe an extension of the briefing schedule would promote judicial efficiency, conserve resources and avoid potentially unnecessary litigation by allowing the parties to continue discussion of potential resolution of some or all of the issues presented without the need for judicial action. The current briefing deadlines are as follows.

Petitioner's Brief	October 8, 2025
Respondents' Brief	November 7, 2025
Petitioner's Reply Brief	December 2, 2025
Deferred Appendix	December 9, 2025
Final Briefs	December 23, 2025

The parties need additional time to discuss and determine the possibility of resolution of the issues presented.

Because the Court has not yet calendared this case for oral argument, the extension requested will not require rescheduling of oral argument. Four previous requests for 30-day extensions of time and one previous request for a 60-day extension of time have been made and granted, good cause exists for this request and, as required by Circuit Rule 28(e)(2), this motion is filed more than seven days before October 8, 2025, when the first brief is due.

Based on the foregoing, Petitioner and Respondents stipulate and agree to a 30-day extension of time, which would result in the following schedule.

Petitioner's Brief	November 7, 2025
Respondents' Brief	December 8, 2025
Petitioner's Reply Brief	January 5, 2026
Deferred Appendix	January 12, 2026
Final Briefs	January 26, 2026
